NOTE FOR ORDERS.

Letter No. 769 dated 13th November 1901, from the Deputy Commissioner Kolar District, regarding the management of the Sri Chendrasekharaswa temple at Jangamkote Siolagatta Taluk.

Complaints having been made regarding the mismanagement of the affairs of the Sri Chandrasekharaswami temple at Jangam-Kote in Siolagatta Taluk Mr. C. Madiah while Dy Commissioner of the Kolar District enquired into the Complaints and reported to Government in his letter of the 23rd June 1896 that the affairs

f the temple which has
and mams as per
nargin, were far from
satisfactory, that the
emple was in need of
compound wall and
that the stipulated
services were not per-
formed regularly. He
lso stated that Jangam-
oté Gundappa who
had long been the
manager of the
Institution did not
furnish the Taluk
authorities with the
accounts; that he
had since died & that
his son J. Lakshminarayanappa
who is a clerk in the
Chikballapur Sub Dn
had applied to be
appointed as Manager
The Dy: Comr promised
to submit a detailed
report on the question
whether the Management

1. Sarvamanya Guttam
-halli village
2. Two vrities in the
Jodi village of H
3. A Charitable
near Jangamkoté.

of the Institution
should not be entrusted
to a committee of
Dharmadarsees from
amongst the leading
and influential men
of the place. He
however requested orders
for the introduction
of Survey Settlement
into the Inam Village
of Gattamaranahalli
as the measure would
increase the income
of the Temple and
afford facilities
for arranging for a
regular and efficient
performance of the
Services and for the
execution of the
needful repairs &
improvements to the
Temple.

The introduction

of Survey Settlement 12
was accordingly Sanctioned
in Government Pro: No.
182-3 Dy 28th July 1896,
the cost of erecting
Boundary marks &c,
in respect of the
occupied lands of the
Sarvamanyam Village
being borne by the
holders thereof & that
in respect of unoccupied
lands being met from
temple funds. As regards
the management of the
temple, the Dy: Coms's
promised report was
awaited.

Thereupon Lakshmi-
narasappa petitioned
to this Office protesting
against the introduction
of Survey & Settlement
and stating that
the Complaints in
regard to the mis-

-management of the temple were all ground less.

In this connection the Amildar of the Siddaghatta Taluk reported to the Assistant Commissioner in charge of the Taluk (in his Report No. 846 dated 7th May 1901) that the management of the temple might, with advantage, be entrusted to the petitioner Lakshmi-narainappa, who he reported, was capable of conducting the affairs properly. On this report Mr. C. Krishna Rao Asst: Comr: in Charge of the Taluk has submitted to the Dy: Comr as his opinion that the representation made

in Mr. Madiah's time ~~were~~ was probably ✱ based on the groundless complaints of Lakshmi-naranappa's opponents, and that there is no reason for such apprehensions now. He therefore recommends the whole management being left to him, subject to the Control of Revenue Officers in the usual course of law. He also states that the management of the Institution by petitioner Lakshmi-naranappa has been satisfactory.

14

The Dy Comr. (Mr. J.E.C. Carr) in his present communication states that both the Amildar & the Asst. Comr. reported that

15

Lakshminarayanappa is now looking after the temple affairs properly and that the services &c are regularly performed, and that the accounts are regularly being submitted; that the temple endowments -Viz, (1) the Jodi village which has been surveyed and settled. & (2) two vrittis bearing an income of Rs 25/- are now in charge of the manager Lakshminarayanappa and that the receipts and disbursements are capable of verification & check by the Taluk authorities and that the manager will have no scope to misappropriate

the proceeds of the temple.
The Dy Comr. therefore
recommends the continuance
of the present arrange-
-ment. He adds that
the temple is in need
of a compound wall
and that the Manager
says he will have it
constructed if a sum
of Rs 178-8-11 which is
now at the temple's
credit is given to him.
If this is approved
the Deputy Commissioner
promises to submit
the bill with the
estimate.

The present Dy Comr's
recommendation to
continue Lakshminarayappa
in the management
of the temple as

heretofore - may be approved. It has been found that in some instances the management of temples by single individuals who have an ancestral right to such management is more conducive to the welfare of the Institutions than the appointment of Dharmadarsies.

The erection of the compound wall from the Savings of the temple may be sanctioned -

Reply under 10/8/17 Mysore

To

487

P. Ananamurti Esquire B.A.,B.L.
Dewan to His Highness the Maha Raja
of Mysore.

May it please your Excellency

In continuation of my petition of the 6th Instant submitted to the Deputy Secretary, I humbly beg to bring the following few lines to your honor's kind Consideration.

1. The temple of Sreechendra Sekharaswamy in the village of Jangumcota of the Sidlaghatta taluq was founded by my ancestors in 1768, who spent a lot of money for its construction and timely repairs

2 The endowments of the temple are:-

(a). Sarvamanyam village of Ghatmarnahalli in the Sidlaghatta taluq

(b) Two Vrutties in Hardi Jode village.

(c) and four topes near Jangumcota consisting of Ippe and other fruit trees, planted by my ancestors at

an immense cost.

3. The temple and its endowments have been under our sole management for a period of 135 years for which Services neither I nor my ancestors have been in receipt of any remuneration from Govt, either in money or in kind.

4. Certain frivolous and vexatious complaints by one of the late manager's cousin against him, were rejected by the Deputy Commrs of Bangalore and Kolar Districts, vide order Nos 653 dated 8th February 1868, and 725 dated the 9th March 1870 respectively, filed in the record.

5. In 1895, after the demise of my father, the manager-ship devolved on me. Ever Since, I have made the best possible arrangements and conducted the affairs Satisfactorily, as it will be manifest from the Mahzar of the villagers and the recommendations of the Amildars Messrs A. Teerasawmy Moodliar,

Seetharamiah. S. Narayana Rao,
V. N. Gopal Rao and the General
Asst Commr C. Krishna Rao, filed in
the records.

6. After my father's demise, upon
the misrepresentation of the deceased
Amildar, unfortunately for me, the
Deputy Commr being prejudiced,
reported to Govt that the deceased was
not furnishing accounts for a long
time, though he did so for some years
past, that the Services in the temple
were not regularly performed and
that the question of appointing
Dharmadarsees might be decided
later on, but, in the meantime, Solicited
orders for the introduction of Survey
and Settlement into the Inam village
against my protests, which was
Sanctioned by Government without
my knowledge.

7. On my review application
dated the 18th December 1896,
the Government were pleased
to enquire the Deputy Commr,

whether the Survey and Settlement had been introduced or not, Evidently, if not yet introduced, with a view of reconsidering the Order Inzrai No. 182 3 dated the 28th July 1896.

8. If the Deputy Commissioner had Submitted his report called for, in due time, Surely, the Survey and Settlement would not have been introduced.

9. Four years after the Govt order of 1896 (i.e) in August 1900, the introduction of Survey Settlement took place. The result is that out of the income, not only excess tax should be paid to Government but also Rs 25/- annually goes to the remuneration of the Potail and Shanbogue. The ryots w recognized as Kadim tenants and they neglected their usual service, rendered gratis hitherto at the time of processions &

10. As prayed for in my previous petitions, if an opportunity is kindly granted to me, before final orders are passed upon partial and prejudiced report of the Deputy Commr., I can prove to your Excellency's satisfaction that the Amildar's report is utterly false and the Deputy Commr. has based his report upon it, without hearing me personally, as promised at Malur, in his Camp.

11. As there is not a particle of evidence for the allegations against my father during his life time and as I have been managing the affairs very satisfactorily for a period of 6 years, furnishing the accounts also, I humbly pray that I or my son aged 22 may be recognized as manager which is an Honorary title granted to our family.

12. For this act of Kindness I, ever,

as in duty bound, pray for your
Excellency's longlife and prosperity

I beg to remain
Your Excellency's most
obedient and humble servant

Sir,

Adverting to para 3 of Government Proceedings No 182-3 dated 28th July 1898 and subsequent reminder No 1199 dated 27th April 1899, calling for a further report regarding the appointment of Dharmadarsis for the future management of the Sri-Chandrasekhara Swami temple at Jangamkote village, Siddaghatta Taluk, I have the honor to state that both the Amildar and the Assistant Commissioner incharge of the Taluk report that the present manager Lakshminarasappa is now looking after the temple affairs properly and that the services were being regularly

performed. 29

2 The question of appointing Dharmadarsis appears to have been waived by the former Deputy Commissioner Mr. Madiah, as Gundappa, the late Manager had failed to furnish the accounts of receipts and expenditure of the temple, and was mostly absent at Bangalore. These accounts are now reported to be regularly submitted.

3 The temple endowments now in charge of the Manager are:—

(1) a Jodi village which has since been surveyed and settled, and

(2) two vrittis of a Jodi village bearing an income of Rs: 25/-

The receipts and disbursements are capable of verification and check by the Taluk authorities.

the Manager will have no weeks to
appropriate the proceeds of the
temple so long as the moral establish-
ment to maintained and the services
are performed regularly.

11 I would therefore recommend
that the present arrangement may
be allowed to continue.

5 The temple is reported to be
in need of a compound wall and
the Manager says he will have the
wall constructed if a sum of Rs.-
1/8/ 5 11 which is now at the temple's
credit, begin on him. If this is
approved I will forward the bill
with the actual estimate.
